This secular conflict, to which the Jewish question ultimately reduces itself, the relation between the political state and its preconditions, whether these are material elements, such as private property, etc., or spiritual elements, such as culture or religion, the conflict between the general interest and private interest, the schism between ...

On The Jewish Question by Karl Marx

The "Jewish question", also referred to as the "Jewish problem", was a wide-ranging debate in 19th- and 20th-century European society pertaining to the appropriate status and treatment of Jews in society.

Jewish question - Wikipedia

I think that the sooner this problem is solved the better; for Europe cannot settle down until the Jewish question is cleared up. It may very well be possible that sooner or later an agreement on this problem may be reached in Europe, even between those nations which otherwise do not so easily come together.

The Jewish problem, its solution, or - Internet Archive

September 16, 1919. On September 16, 1919, Hitler issues his first written comment on the so-called Jewish Question. In the statement, he defined the Jews as a race and not a religious community, characterized the effect of a Jewish presence as a "race-tuberculosis of the peoples," and identified the initial goal of a German government to be discriminatory legislation against Jews.

Adolf Hitler Issues Comment on the "Jewish Question"

The Jewish Problem, more commonly and euphemistically known as the "Jewish Question", has agitated the minds of political analysts throughout history but has remained unresolved to this day. For centuries, a ready and makeshift solution to the problem consisted in the mass expulsion of the Jews ...
